**Dead Rodent Odor:** "I had a stagnant water problem and dead rodent smell. After using one of your bags the odor was gone the next day."

**Sal Amara, Cats USA Pest Control**

"This is the best way we've ever had to eliminate odors from dead animals and animal excrement."

**Steve Magruder, M&M Termite and Pest Control**

"We use a lot of the bags; such as in our wildlife business, musty smelling basements, dead animal odors, autos and living spaces."

**Drew Cowley, Little Rascals Pest Control, NJ**
